Essex Leg

Holy Week and Easter 2012

March 31st – April 8th

Registration form Notes

What is Essex leg of Student Cross: Student Cross is a cross carrying pilgrimage organised by and for students, young adults, and pilgrims of all ages, which has been running since 1948. Pilgrims experience Holy Week and the joy of the Resurrection as a living reality. It's a chance to celebrate Easter in a unique way. **Essex Leg** is one of the youngest of the six full Legs of Student Cross. This year Essex Leg will meet on the evening of Friday 31 March 2012 in Colchester and will arrive in Walsingham on Good Friday, 6 April 2011. The group tends to be one of the more diverse groups – our current walkers include Catholics, Anglicans and Methodists. More information on Student Cross can be found at www.studentcross.org.uk

Cost: The cost of the pilgrimage is **£50 for unwaged people, £80 for low waged people and £150 for waged people**; this covers all accommodation and meal costs. The only extra things that you will have to pay for will be drinks in the evenings and the cost of getting home from Walsingham. At the end of the pilgrimage Student Cross organise a coach to take people from Walsingham to London (via Epping) and to Leicester (via Peterborough) which usually cost about £15 depending on numbers. Financial support towards the cost of the pilgrimage (including equipment such as walking boots or sleeping bags) is available from the Student Cross Association (SCA) for people who have difficulty finding the funds - please get in touch and we can discuss how the SCA can help you.

Deposit: Please enclose your non-refundable deposit of **£20 for unwaged and low waged people and £50 for waged people** with your registration form. The remaining cost can be paid nearer the time or on the first night of the pilgrimage. Cheques should be made payable to **Student Cross Essex Leg**

T-shirts: On Essex Leg a commemorative t-shirt is all part of the deal. Please let us know your size.

Musical instruments: Music plays an important part of Essex Leg and Student Cross as a whole. You are welcome to bring along any musical instrument. Please let us know in advance so that we can arrange adequate car space.

Driving and cars: Our luggage is transferred by car every morning to the night stop and a support car follows the leg at all times. Pilgrims who are able take it in turns to drive. The bigger the pool of drivers the easier this is to manage. If you own a car that you are willing to bring in order to ferry luggage and/or use as a support car, please let us know and we will contact you to arrange and pay for additional insurance requirements.
